From Helpless to Hopeful

An Empowering Workshop for Educators & Child Advocacy Professionals
Meet the Facilitators

*Disruptive innovator and Congressional award-winning author, **Hotep** is widely known for his proactive, “tough love” approach to education. He is a 15-year master teacher that has developed a reputation for requesting the most troubled students and transforming them into willing participants in their own education. Hotep is the founder of the MAKE A WAY program, a series of high relevancy curricula which are used in over 1000 schools throughout the U.S. His profound work has earned him nominations for the Presidential Citizen’s Award and as a CNN Hero. Hotep is also creator of the revolutionary Outcome Progression Model, which he uses to transform the climate and culture of poverty, excuse making and helplessness into one of hope, empowerment, resilience and success!*

***Dr. Joe** is a sought-after speaker about the effects of trauma on learning and behaviors, social-emotional learning, & working with wounded students™. As founder of Hope 4 The Wounded, he's provided training based on his model for reaching wounded children in 40 states & Australia & has authored three books: Reaching The Wounded Student, 7 Ways to Transform the Lives of Wounded Students, and most recently co-authored with his wife, Dardi, Supporting the Wounded Educator: A Trauma-Sensitive Approach to Self-Care. Joe has over thirty years in education and is the recipient of the National Crystal Star Award for dropout prevention & the 2016 Bixler Award, which recognizes excellence in education, & nominated for the diversity enhancement award. His ongoing research, his practical experiences as both a teacher and administrator, and his personal experiences as an adoptive father give him a unique perspective that is engaging, thought-provoking, and inspiring.*
